

Instructions on Accessing Sessions for Attendees with Exhibitor Badges

Exhibitor badges are not tied to ATS accounts like full conference badges are, so to access the conference sessions on the ATSConference365 platform you will need to go through the following steps:

Step 1) Click on Sign in at the top right corner : [ATSConference365 for ATS 2026](#)

Step 2) Enter your email address in the “Email” box and click continue

On the left, there is a "Welcome" section with the ATS logo and text: "Log in with the ATS account used to register for the conference to unlock the many features of this site. Grow your network, discover exhibitors, build your agenda, and get personalized recommendations to get the most out of your experience". On the right, the "Sign in" section features a blue "Login with ATS" button, followed by instructions: "Exhibitors, Vendors, ATS Staff, and Admins: Please enter your email below to receive a magic link for access. Full conference registered attendees should use the ATS portal link above." Below this is an "Email" input field with a red arrow pointing to it, and a blue "Continue" button. At the bottom right, there is a link for "Continue as guest".

Step 3) Check your email for an email from no-reply@sherpa-solutions.com. This email may be sent to your Junk or Spam folder. If possible, we recommend having the email address whitelisted ahead of time, so it lands in your inbox.
