

FOUNDATION FOR
SARCOIDOSIS RESEARCH

ATS/FSR Research Grant in Sarcoidosis

One grant available for 2027
\$50,000 for one year

Target audience:

Early-career investigators

The ATS/FSR Research Grant in Sarcoidosis will support groundbreaking research projects that have the potential to significantly impact the understanding and treatment of sarcoidosis.

Since 2005, this partnership has funded over \$1 million in sarcoidosis research, catalyzing further advancements in the field.

Applicants may request up to \$50,000 for one year for salaries or supplies or a combination thereof.

Indirect costs are not supported.

This grant is co-funded by the [Foundation for Sarcoidosis Research](#) and ATS.
